

SALES ILLUSTRATION

July 17, 2025

An international health plan proposal specially designed for **Dela Cruz, Mia** from Allianz PNB Life with Application No. 530168285.

Our health plans are tailored to fit your unique needs, designed to cover expensive medical costs associated with in-patient treatment, along with benefits such as rehabilitation treatment, emergency care, and medical evacuation. This will provide you the peace of mind and assurance that your health, well-being, and medical expenses will be covered by giving you the freedom to choose your own medical providers for the required treatment.

Ensure your family's medical needs to continue to be met while traveling overseas, with our flexible and affordable international health plan.

The annual plan limit is the maximum we will pay for all benefits in total, per Insured, per period of cover, under your health plan. Some benefits also have a specific benefit limit. Where a specific benefit limit applies or where the term Fully Covered appears next to certain benefits, the benefit limit is subject to the annual plan limit.

TREATMENT GUARANTEE

Benefits marked with * require Treatment Guarantee. The Treatment Guarantee process helps us assess each case and coordinate with the hospital to facilitate your admission and discharge where possible. In the case of a medical evacuation or repatriation, we will be able to organize and coordinate the evacuation on your behalf. Following our approval, coverage for these can then be guaranteed. We may reduce our amount payable or decline your claim if Treatment Guarantee is not obtained.

CHRONIC CONDITIONS

Chronic conditions are covered subject to the terms and conditions of your policy.

PRE-EXISTING CONDITIONS

Pre-existing conditions that are declared to us are covered subject to the terms and conditions of your policy.

POLICY PROVISIONS

Please note that your health plan is subject to policy terms, conditions and limitations detailed in the Policy Provisions.

POLICY ENDORSEMENT

If there are any terms and conditions unique to your policy, they will be listed in the Policy Endorsement document.

PREMIUM SUMMARY

The initial Quarterly premium for the 1st policy year and the estimated Quarterly premium for the following 2 years are as follows:

INSURED	QUARTERLY PREMIUM FOR 1ST POLICY YEAR	QUARTERLY PREMIUM FOR 2ND POLICY YEAR	QUARTERLY PREMIUM FOR 3RD POLICY YEAR

Premiums shown above are those currently in effect and are based on the age on renewal date. Note that the premiums, benefits, limitations, and exclusions may change and will depend on those in effect at the renewal date. This proposal is only valid until **September 15, 2025**.

NOTES

- 1 The Table of Benefits provides an overview of the coverage we provide under each plan. Cover is subject to the terms and conditions of the policy.
- 2 There are two kinds of benefit limits shown in the Table of Benefits. The annual plan limit which is the maximum we will pay for all benefits in total, per person, per period of cover, under the health plan.
- 3 Some benefits also have a specific benefit limit. Where a specific benefit limit applies or where the term "Fully covered" appears next to certain benefits, the benefit limit is subject to the annual plan limit. All limits are per person, per period of cover, unless otherwise stated in your Table of Benefits.
- 4 Benefits marked with * require Treatment Guarantee. The Treatment Guarantee process helps us assess each case and coordinate with the hospital to facilitate your admission and discharge where possible. In the case of a medical evacuation or repatriation, we will be able to organize and coordinate the evacuation on your behalf. Following our approval, coverage for these can then be guaranteed. We may reduce our amount payable or decline your claim if Treatment Guarantee is not obtained.

- 5 The benefit limits are all in Philippine Pesos. Premium and eligible claims will also be paid in Philippine Pesos.
- 6 A deductible is a fixed amount of covered expenses that the Insured or any other party is required to shoulder before we pay the remaining costs, if applicable to the chosen health plan. Deductibles are applicable to all benefits per Insured, per period of cover, unless indicated otherwise in the Table of Benefits.
- 7 A co-payment is a percentage of the covered expenses that the Insured is required to pay, if applicable to the chosen health plan.
- 8 Pre-existing condition is an injury, illness, or disease that affects the Insured before the start of the policy. This condition must be disclosed during application for proper underwriting assessment. The disclosed pre-existing condition may be excluded from the policy or will be subject to a waiting period if coverage is offered. Any pre-existing condition that is not disclosed at the time of application will not be covered.
- 9 We have the right to apply revised policy terms and conditions, effective from the renewal date. The policy terms and conditions and the Table of Benefits that exist at renewal will apply for the duration of the period of cover. We may change the premium, benefits and rules of your membership on your renewal date, including how we calculate/determine premiums and/or the method or frequency of payment. These changes will only apply from your renewal date, regardless of when the change is made and we will not add any restrictions or exclusions which are personal to a member's cover in relation to medical conditions that started after their policy's inception, provided that they gave us the information we asked them for before incepting and they have not applied for an increase in their level of cover.

EXCLUSIONS

The following treatments, items, conditions, activities, procedures and their related, associated or consequential costs are excluded from this policy and we should not be liable for:

- 1 Pre-existing conditions or any related, associated, or consequential medical conditions which were not disclosed to us before the policy date, or any condition which we have not agreed in writing to cover under your health plan;
- 2 Congenital conditions, birth injuries, birth defects, or any hereditary medical conditions of any kind;
- 3 Palliative and hospice care or programs that provide supportive services in the form of physical, psychological, social and spiritual care to patients who are dealing with life-threatening and terminal illness;
- 4 Any treatment which we determine experimental, unproven, or unlicensed;
- 5 Any treatment received on an in-patient basis where it is available on an out-patient basis or customary to be received as an out-patient;
- 6 Any treatment and test related to fertility, complications or medical conditions from IVF induced pregnancy, impotence or erectile dysfunction, contraception, sterilization, or any abortion performed due to psychological or social reasons, and consequences thereof;
- 7 Gender reassignment surgery or therapy, or hormone replacement therapy;
- 8 Pregnancy-related, childbirth including prenatal and postnatal care, except for complications of pregnancy as defined in your health plan;
- 9 Self-inflicted injury, suicide or attempted suicide, deliberate exposure to exceptional danger except in effort to save human life, excessive consumption of alcohol or narcotics, or similar drugs or agents;
- 10 Cosmetic treatments or any consequence thereof;
- 11 Sleep disorders, learning difficulties, speech therapy and social, behavioral or developmental disorders including, but not limited to, dyslexia, attention deficit hyperactivity disorder (ADHD), speech disorders, and short stature;
- 12 Illnesses which have been transmitted by sexual contact, or any of the following illnesses whether sexually transmitted or not: syphilis, gonorrhea, venereal warts including genital HPV (human papillomavirus), genital herpes, granuloma inguinale, chancroid, trichomonas, pubic lice (phthirus pubis) infestation, and chlamydia;
- 13 Any treatment or test related to Human Immunodeficiency Virus (HIV) related illness including Acquired Immune Deficiency Syndrome (AIDS), AIDS Related Complex (ARC) and/or any mutation, derivation, or variation thereof except for;
- 14 Services which are not recommended and prescribed by the Insured's attending medical practitioner except for a second opinion prior to treatment and continuity of fees from a referring medical practitioner after the Insured has been referred to another medical practitioner;

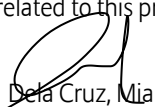

- 15 Dietary supplements and substances that can be purchased without prescription such as vitamins, minerals, and other organic substances;
- 16 Any treatment received in health spas, nature cure clinics, spas, or similar establishments such as massages, hydrotherapy, Reiki, or other non-medical treatments;
- 17 Home visits or treatments by a medical practitioner, specialist or nurse unless specifically agreed by us in writing prior to consultation;
- 18 Any treatment or benefit for which payment is not required or to the extent which is payable by any other insurance or indemnity covering the Insured including legislation or insurance coverage relating to occupational medical conditions;
- 19 Any treatment or medical condition that occurs while serving as a member of a police or military unit of any country or international authority; while engaging in war or any warlike activities (including use of military force by any sovereign nation to achieve economic, geographic, nationalistic, political, racial, religious or other ends whether declared or not), civil war, invasion, insurrection, revolution, use of military power or usurpation of government or military power, or the intentional use of military force to intercept prevent, or mitigate any known or suspected terrorist acts.

Terrorist acts are any actual or threatened use of force or violence directed at or causing damage, injury, harm or disruption, or commission of an act dangerous to human life or property, against any individual, property or government, with the stated or unstated objective of pursuing economic, ethnic, nationalistic, political, racial or religious interests, whether such interests are declared or not. Terrorist acts shall also include any act which is verified or recognized by a government as an act of terrorism;

- 20 Any injury sustained directly or indirectly as a result of acting illegally or committing or helping to commit a criminal offense;
- 21 Any treatment for complications arising from any excluded treatments, illnesses or injuries;
- 22 Any costs incurred where a member has travelled against medical advice or costs arising out of complications or giving rise to extended hospital stay as a result of failure to follow medical advice of a treating medical practitioner or hospital;
- 23 Any costs incurred outside of the period of cover or for any period for which the appropriate premium has not been paid subject to the grace period provision;
- 24 Costs incurred for the completion of any claim forms or the provision of any documents or reports needed to adjudicate a claim.
